REVISED: H&K GROUP, INC. SPRING 2021 ASPHALT PLANT FACILITY OPENING DATES

Skippack, PA - As Spring begins to settle into the region, [H&K Group, Inc.'s \(H&K's\) Materials Division](#) is pleased to announce official opening dates for all of its asphalt plant facilities.

Customers are advised to review the attached **2021 Asphalt Plant Opening Dates** table to obtain startup dates for each H&K asphalt plant location. State approvals vary per location and customers are advised to contact their specific H&K Materials Sales representative, or the facility location, for confirmation and additional information.

H&K presently owns and/or operates [20 hot mix asphalt plant facilities](#) located throughout Eastern Pennsylvania, New Jersey and Delaware. Our state-of-the-art asphalt plants produce a wide range of mix designs, including: Superpave, Warm-Mix Asphalt, Red Top, Airport Mix, Custom Mix Designs and many more. Every H&K asphalt plant specializes in providing high quality asphalt mixtures for commercial, industrial and residential paving projects as well as the construction and reconstruction of municipal and state roadway systems.

Along with its asphalt materials operations, H&K also owns and operates [23 crushed stone quarries, 2 stone depots and 10 heavy civil contracting divisions](#). H&K is devoted to providing customers with the finest construction materials, as well as the experience and resources required to manage a wide array of Asphalt Paving Repair & Maintenance needs. Completed H&K projects have ranged from total reconstruction of vast, multi-acre parking facilities to patch and repair projects of smaller asphalt areas. H&K has the flexibility and resources to manage work of any scope.

H&K Group, Inc. provides [heavy civil contracting and construction services](#), [construction and building materials](#), and associated [ancillary services](#) through 85 operations in three states including eastern PA, NJ and DE. Further information on H&K Group, Inc. and its wide array of products and services may be found by pointing your browser to www.hkgroup.com or calling 610.584.8500.
