### **Architectural Stone to Attend 2010 MANTS Show**

*Douglassville, PA* - **Architectural Stone** ([www.archstonepa.com](http://www.archstonepa.com)) has announced its attendance for the **2010 Mid-Atlantic Nursery Trade Show** (MANTS). **Architectural Stone** will be located in **booth numbers 2773 and 2775**, displaying their fine **natural stone products**. In addition to palletized materials, **Architectural Stone** also produces **bagged products**, which this year will feature their newest **bagged product, organic topsoil** to accompany their **bagged stone and sand**. The **MANTS show** will be open January 6-8, 2010 and is located in Baltimore, MD at the **Baltimore Convention Center**. More information, including show times, can be found via **MANTS' website, [www.mants.com](http://www.mants.com)**.

#### **About Architectural Stone:**

**Architectural Stone** collects and produces the finest **natural stone products** from all around the world for wholesale delivery. With products ranging from **bagged decorative landscape stone** to **building stone, steppers** and **pavers**, **Architectural Stone** has the products necessary to create unique landscape designs that will last a lifetime.
